

Lace up your walking and running shoes and join us

KAT-Walk & Karo-5K for Brain Aneurysm Awareness

Saturday, September 9, 2017 - 1PM
Back Cove Boulevard, Portland, Maine

Join hundreds of walkers & runners along the Back Cove course. Registration, family gatherings, and activities start at 11am on the pathway across from Hannaford Plaza. The measured and timed 5K race and 2.5 mile walk kicks off at 1pm, followed by awards presentation.

Our goal is to provide support to the brain aneurysm community in Maine, raise public awareness regarding early detection & treatment, and fund research.

"Share our tears, remember with love, and walk & run to honor"

The KAT-Walk is in memory of
Portland native
Kimberly A. Tudor
1976 - 2008

The Karo-5K is in memory of
Scarborough native
Karolina A. Kurka
1984 - 2011

Now in it's 9th year, this annual event has grown to include many more families affected by brain aneurysms. This day is used to honor survivors and remember loved ones lost to this silent killer that strikes every 18 minutes.

Brain Aneurysm Awareness Saves Lives!

A brain aneurysm is a weak bulge on the wall of an artery in the brain and can catastrophically rupture. Today, 1 out of 50 people in the U.S. currently have a brain aneurysm, a silent killer, which often presents with no prior symptoms or whose symptoms are often ignored or misdiagnosed. Statistics after a brain aneurysm ruptures are grim: of the 30,000 people that have a rupture each year, over 40% will die as a result and two thirds will suffer disabilities of varying degrees.

Proceeds from the 2017 KAT-Walk & Karo-5K will benefit the Maine Brain Aneurysm Awareness Committee in it's efforts to provide brain aneurysm awareness, education, funding of research, and general support centered on the brain aneurysm community in Maine and northern New England.
